

New Journey Coaches *FAQs*

How much do I have to purchase or sell once I have signed up to become a Journey Coach?

A Journey Coach's quarterly minimum is only \$150, among the lowest in the industry.

How much commission do I make on Fun Stampers Journey product once I am a Journey Coach?

Every Journey Coach makes 20% income on product he/she purchases or sells to customers. There are also volume payouts when you reach certain sales levels that can mean earning up to 40% on your orders!

As a Journey Coach do I earn Hostess Rewards on my personal orders?

Yes, every order that is \$150 or more (before your Journey Coach commission and net of tax and shipping) qualifies for Hostess Rewards.

I just signed up as a Journey Coach and I am very excited; however I am not entirely sure how to run this as a business. Will the company assist me in any way?

We are just as excited as you are that you have signed up and we want to assure you that we will be with you every step of the way. We at headquarters offer a library of inspiration and training through videos, manuals, newsletters, and conference calls. You will also have support and training from your upline. Your upline will be available to guide you through the business by offering you his/her experience, wisdom and business tips. Fun Stampers Journey is all about celebrating family and now that you are a coach you are part of our family.
